Coach

Teacher

"If I were sitting here and the whole world were indifferent to what I was doing, I would still want to be doing just what I am."

Kenneth Ford

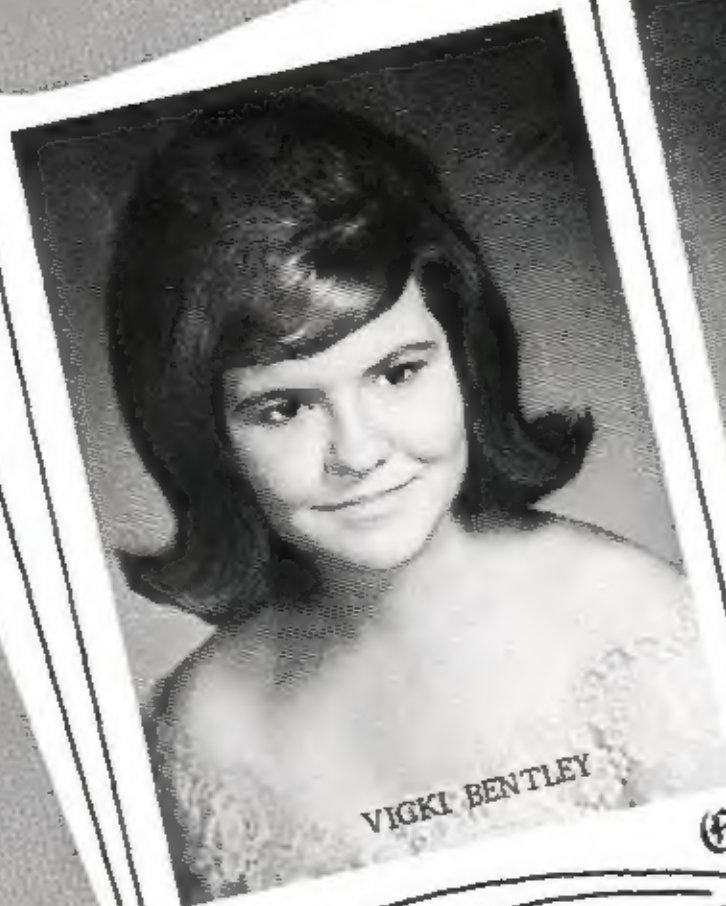

Coach Ford, you have been a true friend to us. But you have been more than a friend; you have helped us through the years, in football, in track, and in your classes. You have overlooked our forgetfulness, our carelessness, and our lack of consideration. You have made us look within ourselves and laugh. You have pushed us farther along the road to maturity. Your calm resolution took away our anger at times and substituted understanding. How can we thank a man who has done all this? We could have offered you a gift, but that seemed too meaningless for you. Instead, we chose to work many long hours to produce this yearbook as a lasting tribute to you.

The "1966 Eagle" is the only tangible embodying the intangible--our admiration.

Therefore, we dedicate our yearbook, which is so all-important, to you,

OUR COACH!

## Foreword

The **Eagle** opens.  
Our trail stretches ahead.

We look backward and see the winding road that has brought us here.

We look forward toward a limitless future waiting just around the bend.

Gratefully we remember those who first tread Holliday High's path.

They established her traditions and blazed the trail for us.

Humbly we pick up our packs and walk purposefully onward.

There is much that still must be done, and the trail is beckoning.

## Another Year Made History

Before a school year could begin again  
There were plans and decisions to make,  
So the administration in the interest of all  
Gave Time and Thought - For our Sake.

Now, to our Superintendent,  
Mr. W. S. Thomas,  
We say,  
"Thanks for nine months of  
Profitable work and play."

And To  
Mr. Ray Coe, best of high school principals,  
"Thanks for your interest and guidance  
From day to day."

To -  
Mrs. Belle Magee,  
Our grade school chief, who was kind  
but concerned -  
About our future in the high school world,  
We'd like to say, "Watch us;  
We played a lot, but we also learned."

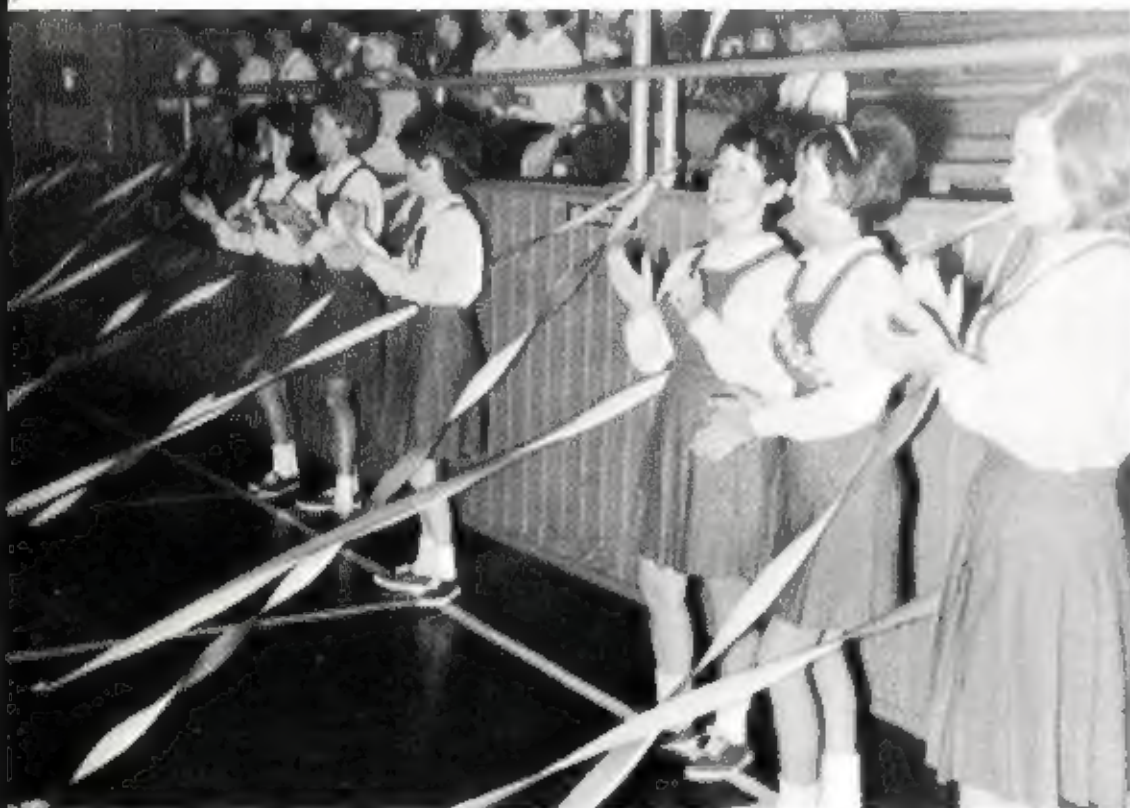

With football season there came a challenge  
and our mettle was tried on the field.

As man to man we met our opponents,  
our fighting spirit did seldom yield.

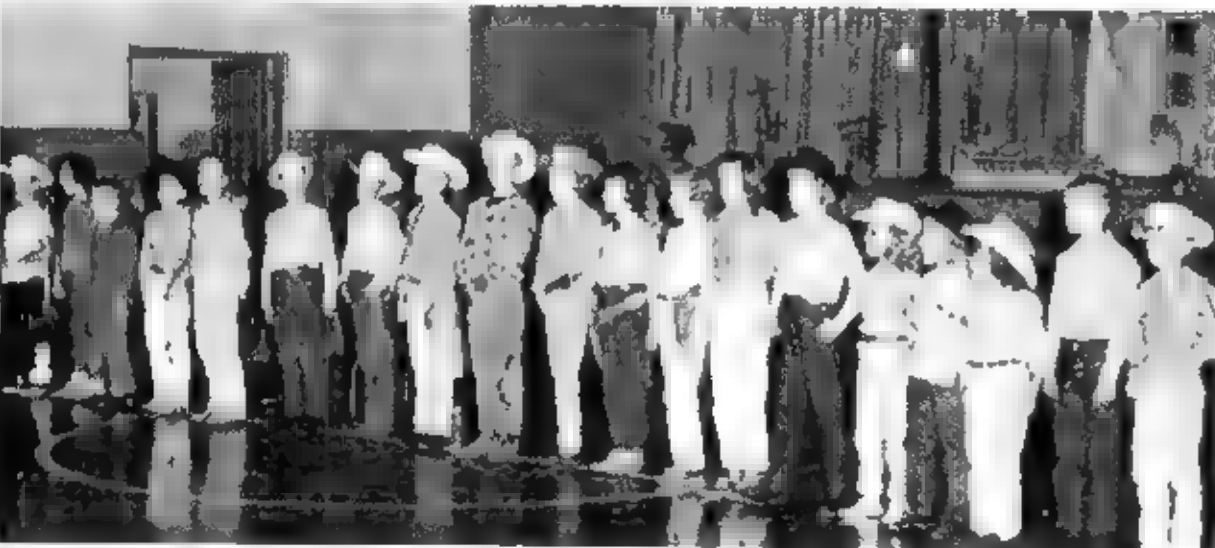

Our cheerleaders were models  
of vigor and vim;  
The band and its twirlers  
added zest to our fun;  
Team loyalty developed  
as time went on,  
And more often than not,  
we won!

For one week in October  
The whole school went  
Western

The sheriff ruled

The Talent show was underway

And while  
Senior parents  
Made plans  
for the  
barbecue

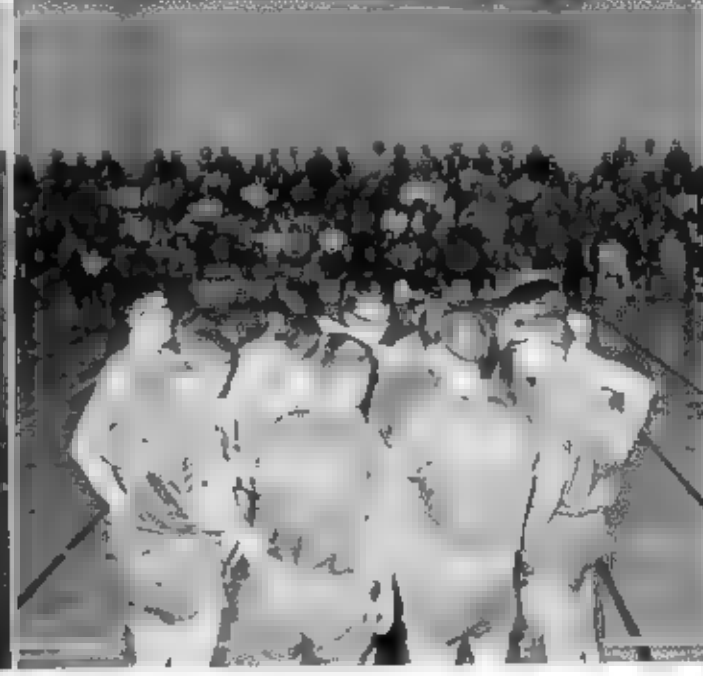

There were mock trials  
at school,  
And we were  
very gay!

In December basketball practice began with a bang.  
 "Jump! Shoot! Cover your man," the coaches shouted.

And in those long and tiring practice sessions  
 Some teams were built whose ability we never doubted.

Christmas and winter  
 came in quick succession -  
 A time for fun  
 and festive occasion

But as mid-term  
 approached  
 The Teachers said  
 we'd best

Add work to play  
 at school  
 And thus have  
 a better balanced  
 equation

As we stood in those long  
cafeteria lines  
Those who served us remembered  
to smile  
Their pleasant manner and  
gracious ways  
Will be remembered for a  
long, long while

Mrs. Holliman, Mrs. Holt, Mrs. Stone, Mrs. Winkles

"Callie" and "Cuts"

We scattered paper and took in mud  
And took for granted the many deeds  
Of those who worked while we were gone  
To keep the building clean and warm and satisfy our many needs

"Doug"

When the last bell rang  
we lost no time  
We headed straight for  
the good old bus  
And to our drivers who  
carried us safely to and fro  
We now say, "Thanks to  
all of you, from all of us."

### Sitting:

These men not only served our school,  
But supported our activities right from the start  
And the year would not have been so successful  
Had they not played such a wonderful part.

When springtime came some thoughts were lightly turned to love,  
 While others turned toward literary events and speech,  
 And the determination to win the trophy was in the heart of each,  
 They met their teachers when they could,  
 Then worked long hours on their own,  
 And when Interscholastic League points were counted,  
 No prouder group could we have ever known.

Holliday had won the over-all trophy!

# 1965-66 "Highlights"

by Coach Bud Enis

The Holliday Eagles came through this season by winning the first district championship since 1959. The Eagles proved to be one of the top teams in the area with their pressure defense, fast break, good ball handling and sharp-shooting. The Eagles had a well balanced club with all boys ranging from 5'10 to 6'1. Mike Lowder, at 6'1, proved to be one of the toughest men on the defensive boards. Jay Franklin, a fine ball handler and rebounder, teamed with Mike and Charles Buller to make the boards very tough. Charles started off the season slow but came on strong as the season progressed. His fine shooting helped put the Eagles past Henrietta in two overtimes. Larry Slack and Bo Toner were our leading scorers with 306 and 307 points respectively. Both were outstanding in the backcourt and in setting up our offense. With their desire and hustle, Gary Whitehead and Pat Maxwell were two of the best sixth and seventh men that I have ever coached. Also, Charles Wylie, Jerry Inman, Jimmy Coe, and Bill Finnell added greatly to the Eagles' year of success.

The Eagles started strong as they entered the Seymour Tournament with four wins. They lost the final game with Megarel and had to settle for second place. After a loss to Byers, they entered the Henrietta Tournament, but lost the first game with Petrolia. The Eagles fought back to meet Byers again in the Consolation Finals. Then came the Christmas Holidays with a few days' rest. Coming back from the holidays and a victory over Petrolia, the Eagles were in good spirits for the first Holliday Invitational Tournament. The Eagles trimmed Nocona, but the Midway "5" forced them to settle for third place over Archer City.

The Eagles began their district play by beating Archer City, 57-42. Their second game was played at Henrietta and took two overtimes before the Eagle victory was determined, 49-47. In the second round at Archer City, the icy weather forced the game to be played on Saturday night and the Eagles were just as cold as the weather. They trailed by 18 points at intermission. With a so called "pep talk", the boys came back to score 14 straight points before the Wildcats could find the basket, and went on to win 66-63. W. S. Thomas Fieldhouse was packed for the showdown with Henrietta but the Bearcats beat the Eagles in the last 5 seconds, 43-42 with two free throws. But a determined A.C. Team journeyed to Henrietta to beat them in an overtime to give the Holliday Eagles the Eastern Half title.

With a tie in the Western Half, the Eagles faced a 13 day lay-off before they could meet Munday in a best-of-three-game play-off. They crossed the Brazos River to play the Moguls on their dust slick floor and led them until the last two minutes but were blown under, 60-51. With two days of good workouts, the Eagles were determined to play 32 rather than 30 minutes of good ball at home. With a lot of spirit the Eagles built a lead and held it until the last 28 seconds before the Moguls overtook them. With 5 seconds left and trailing by two, Holliday took a throw-in under their basket and scored. The Hero of the moment, Mike Lowder, was fouled and scored to give the Eagles the victory, 56-55. This forced the title into a third game to be played at Seymour. With a jam-packed gym the Eagles got off to a very, very slow start, scoring only 4 points in the first quarter to Munday's 20. Using a tough press defense, they began to fight desperately to overcome their opponents' 20 point lead in the last two minutes. Thus 45-43 victory gave the Eagles the District 11-A championship.

With a lot of spirit after winning district, the Eagles journeyed to Jacksboro to face the Millsap Bulldogs in Bi-District play. Starting off cold, as usual, the Eagles fought back but had to settle for second, 64-52. This ended the 1965-66 season for the Eagles with a fine record of 20 wins and 9 losses.
